A reminder that we follow the East Providence School Department in the case of inclement weather.

Special thanks to Kristen Schott and her committee as well as the Eighth Grade volunteers for their work on the Breakfast with St. Nicholas. An enjoyable morning was had by all those that attended. Pictures with St. Nicholas are available on our website.

The Christmas Concert will be held on Thursday night at 7:00 at East Providence High School. No tickets will be sold at the door. Contact the office for tickets.

The children will be doing their Christmas shopping on Friday at Santa's Workshop. Please help us by filling out those envelopes that were sent home.

Advocare Health Group is a local company, owned by Kathie Frattarelli (SMS parent) looking for caregivers to work with the elderly. They provide services including taking clients on errands, light housekeeping, meal preparation and companionship. If you are looking to work part-time or for mother's hours, please give them a call at 401-434-6727.

I am concerned about the safety of your children. Parents, please note that according to RI General Law, in order for a child to ride in the front seat of a vehicle they must be 8 years old, AND at least 57 inches tall, AND at least 80 pounds. If under EITHER the weight OR the height, they MUST be seated in the rear, and MUST be in a USDOT approved child restraint system (i.e. booster seat).

The National Highway Traffic and Safety Administration recommends that ALL children under 13 be seated in the rear, regardless of height or weight because of the airbag.

January lunch orders are due by December 15th. Place your order on line. Remember to write down the order and total due. January lunch orders will not be processed until payment is received. Payments must be received by December 18th.
