A Blessed Easter To All!

Rhode Island Science and Engineering Fair was held on March 17th, and 18th. Our Eighth Grade students performed exceptionally. Spencer King and Megan Connors came in the top 10 for Best in Fair, placing first in their categories. As well as being Broadcom MASTERS (Math, Applied Science, Technology and Engineering for Rising Stars) and Victoria Woodruff and Patrick McGee, second place, with Jameson Conlon and Malayna Bizier, third place. Both Malayna and Jameson also won "Special" awards for individual excellence in presenting a science fair project. Congratulations for a job well done!

The fifth grade class will be performing the Living Stations of the Cross on Good Friday at 3:00pm in the Church. This event is open to all.

There is a former St. Margaret student that is looking to nanny/babysit this summer. She is 19 years old and has her own transportation. If you are looking for someone and would like more information please call the office.

During this season of Lent, Saint Margaret School has been active in living our mission of community service. Thank you to the students, their teachers and our wonderful parents, who with their combined efforts allowed the Middle School to donate over \$1000.00 worth of groceries for six needy families from our sister school, Woodlawn Regional Catholic. Grades Pre-K through 5 collected more than 15 bags of food to be donated to families in need from Bethany Church of the Nazarene.

Grade 6 High Honors: Isabella Ambroise, Marguerite Cuzzone, Brady Harrington, and Natasha Paolino.

Honors: Daniel Cordeiro, Ellie Cordischi, Sophia Custodio, Quinton Le, Margaret Lima, Catherine Lisi, Noah Lopes, Grace Lynch, Kennedy Salgueiro

Saint Margaret CYO Girls Basketball Team had a great season ending with a second place finish in the Pot of Gold Tournament. The team consists of girls from grade 5 and 6 from our school and the church. Thank you to Dean Harrington for coaching.

There is no school on Friday and Monday due to the Easter holiday.

On Tuesday at 1:30, Detective Corporal Jeffrey Mace, from the East Providence Police Department, Rhode Island Internet Crimes Against Children Task Force, and the Rhode Island Joint Cyber Task Force will speak to Middle School students about internet safety. Parents are invited to attend this important discussion.
