Welcome back to school! I hope everyone had a blessed Christmas and a restful vacation. We have a busy January planned, with an Open House scheduled for the last Sunday of the month (1/27) and then Catholic Schools Week, which will be filled with fun activities for the students. Take note that we have moved Grandparent's Mass to May, to ensure better weather. Did you know that local public school students have scored significantly lower on standardized tests in both Math and ELA than Saint Margaret's students? Please spread the word about our wonderful school to family and friends.

Extended Day would like to recycle cards that you received this Christmas. The cards will be used in crafts for next year. Please drop them off in the office.

Students in Kindergarten through grade 8 will be taking the STAR test during their computer classes for the next two weeks. Next week will be for Language Arts testing and the following week will be Math testing.

The Student Council, as representatives of Saint Margaret School, will be attending the funeral for Bishop Robert Mulvee on Thursday at the Cathedral of SS. Peter and Paul.

There will be a Dress Down on Friday to support Gabriel's Call. Gabriel's Call helps pregnant women and their children.

The SIFMA Foundation, sponsor of The Stock Market Game, announced that Saint Margaret School had a team win First Place in the Middle School division. Congratulations to Allel Azzouz, Phil Berretto, Mason Bouley, and Sam Chawla. Great job boys! They will be recognized in May at a ceremony at Fidelity Investments.

Jack Peterson, grade 8, made Honors in the First Trimester. Congratulations Jack!
